How to Cure Constipation

Few people altogether escape a disorder of the bowels. You may catch cold, over-eat, over-drink, worry too much, not exercise enough or do a hundred and

over-eat, over-drink, worry too much, not exercise enough or do a hundred and one other things that result in constipation or costiveness. When the trouble comes it is well to know what to do for it.

In the opinion of thousands there is no better cure for constipation than Dr. Caldwell's Syrup Pepsin, which anyone can obtain for 50 cents or \$1 at a drug store. We all have constipation occasionally, and the sensible thing to do is to have a bottle of this remedy always in the house. You take it at night on retiring, for example, and when you wake up in the morning at your usual hour it produces its results.

Your stomach instantly becomes lighter, your head clearer, your eyes brighter, you feel active and spry once again, your appetite has returned and you are ready to work with enthusiasm and vigor. All this may not have taken more than a dose or two, at a cost not to exceed two or three cents. Can you afford to feel bad when you can feel good for so little?

Dr. Wilson Brown, of Metropolis, Ill., has no hesitancy in saying that Dr. Caldwell's Syrup Pepsin is the greatest of all laxatives and he frankly admits to his patients that if they used it when the stomach, liver or bowels got out of order they would have less need of him. It is without doubt the best cure for occasional or chronic constipation, dyspepsia, billousness, jaundice, sour stomach, lazy liver, fistulency, diarrhea, and similar digestive ills in old or young. It is a thousand times better than salts or purgative waters, acts gently but surely, is pleasant to the taste, does not gripe, and cures permanently.

Go to your druggist and get a 50 cent or \$1 bottle and see if our claims are not justified.

In loving remembrance of Johnnie Milton Terry. There was a gloom of sadness cast over home on Feb. 29, 1908, when the

death angel visited our home and took from us our 12-year-old son, little Johnnie. He was the son of Mr. and Mrs. Jumbo, Ky., D. C. Sipple, Stanford, C. C. Terry. Besides father and mother he leaves four brothers and three sisters to mourn the loss of a dear son and brother.

Little Johnnie is gone, but not forgotten, Never will his memories fade,

Round the grave where Johnnie is laid. Good-bye little Johnnie, good-bye, it is hard to part with little Johnnie, but we can meet him again if we will only try. There was an angel band in heaven that was not quite complete, so God took our little Johnnie to fill the vacalves Friday. They are of the Polled cant seat. May we learn ere the race of life is run, to say in our deepest sorrow, Thy will O God, not mine be done. MOTHER.
